

2026 expected plant availability (updated 7th July 2025)

Our seed is sourced from the Adelaide Hills and Barossa (Out of provenance species other parts of SA). Other SA species and provenances may be ordered if own seed is supplied.

If requiring difficult to propagate species and/or 25 or more of a species please place an order (preferably the year before) so you are not disappointed at our Plant Sales (first weekend of June, July and August). Ordered plants will be ready for collection late May-June.

Price Categories (refer to Price List).

● black tubes : standard tubestock

● green tubes : cutting grown or difficult to collect seed and/or propagate

● orange tubes : very difficult to collect seed and/or propagate

Species	Common Name	2026 expected availability	Price Category	D - division grown C - cutting grown S - seed grown	Propagation	Native to South Australia but outside local area
Acacia acinacea	Gold-dust Wattle	hundreds	●	S		
Acacia argyrophylla	Silver Mulga	tens	●	S		plains
Acacia brachybotrya	Grey Wattle	tens	●	S		northern plains, murraylands
Acacia continua	Thorn Wattle	hundreds	●	S		
Acacia cupularis	Coast Umbrella Bush	tens	●	S		
Acacia dodonaeifolia	Sticky Wattle	not available	●	S		
Acacia euthycarpa	Wallowa	hundreds	●	S		
Acacia hakeoides	Hakea Wattle	hundreds	●	S		northern plains
Acacia ligulata	Umbrella Bush	hundreds	●	S		northern plains
Acacia melanoxylon	Blackwood	hundreds	●	S		
Acacia microcarpa	Manna Wattle	hundreds	●	S		northern plains
Acacia myrtifolia	Narrow-leaf Myrtle Wattle	hundreds	●	S		
Acacia notabilis	Notable Wattle	hundreds	●	S		northern plains
Acacia nyssophylla	Wait-a-while	tens	●	S		northern plains
Acacia oswaldii	Oswald's Wattle	tens	●	S		northern plains
Acacia paradoxa	Kangaroo Thorn	hundreds	●	S		
Acacia provincialis	Swamp Wattle	hundreds	●	S		
Acacia pycnantha	Golden Wattle	hundreds	●	S		
Acacia retinodes	Wirilda	hundreds	●	S		
Acacia rupicola	Rock Wattle	hundreds	●	S		
Acacia salicina	Broughton Willow	not available	●	S		
Acacia sclerophylla	Hard-leaf Wattle	hundreds	●	S		northern plains
Acacia spinescens	Spiny Wattle	not available	●	S		
Acacia verniciflua	Varnish Wattle	hundreds	●	S		
Acacia verticillata	Prickly Moses	hundreds	●	S		
Acacia victoriae	Elegant Wattle	hundreds	●	S		plains
Acaena echinata	Sheep's Burr	hundreds	●	S		
Acaena novae-zelandiae	Bidgee-widgee	hundreds	●	S		
Acrotriche depressa	Native Currant	ones	●	S		
Adiantum aethiopicum	Maiden-hair Fern	tens	●	D		
Agrostis filifolia (now Lachnagrostis)						
Ajuga australis	Austral Bugle	tens	●	D		other parts of SA
Allocasuarina muelleriana	Common Oak-bush	hundreds	●	S		

Species	Common Name	2026 expected availability	Price Category	Propagation S - seed grown C - cutting grown D - division grown	Native to South Australia but outside local area
